Internship Recommendation Letter

Dear Sir/Madam,

The FAST-National University of Computer and Emerging Science (FAST-NU) holds the honor of being Pakistan's first multi-campus University in the private sector chartered by the Federal Government on July 1, 2000. The President of the Islamic Republic of Pakistan is the Patron of the University. FAST NUCES Chiniot – Faisalabad, fifth campus of FAST NU, is offering quality higher education since 2012 and offers Undergraduate degrees: BS (CS), BS(SE), BS (EE), BS(AI), BBA, BS (Business Analytics) & Graduate degrees: MS (CS), MS (EE) and MBA.

Mr. Uzair Azam, Roll# 21F-9191 is a bonafide student of this University. He is in 6th Semester of 4-Year BS (Computer Science) program. We encourage our students and graduates for Internships in the Industry to get professional exposure and practical experience.

We shall be grateful if he is allowed internship in your esteemed organization. We would also like to receive your valuable feedback regarding competency and working habits to improve his skill set.

Best Regards,

Aysha
